## MAYOR'S MESSAGE

Quinte West is located in the heart of the Bay of Quinte Region at the mouth of the Trent-Severn Waterway. Known for its picturesque agricultural landscape, 8 Wing/CFB Trenton, and Trent Port Marina, the City of Quinte West drives the local economy with its commitment to support entrepreneurs, manufacturing, retail outlets, commercial businesses and continual growth in the hospitality and tourism sector. This has held especially true during the COVID-19 Pandemic. The City has worked tirelessly to assist our business community to weather this unprecedented time by providing free Wi-Fi in the downtown cores to actively promoting an ongoing shop local initiative on our print and social media platforms. This crisis has made us stronger and we look forward to working together with a continued resilience.

Whether it be the downtown core or commercial areas in Trenton or Frankford, the North Murray Industrial Park, Frankford Industrial Park or an inquiry on any lands in Quinte West, Staff and Council are here to facilitate or offer services that foster investment and development.

In addition, the City of Quinte West has several local support agencies that have the resources to assist with investment tools such as grant funding, engaging the labour market and services for all business sizes, entrepreneurs and start-ups.

On behalf of City Council, I invite you to join us in Quinte West, a natural fit for your business.

Sincerely, *Jim Harrison*

**A BLEND BETWEEN  
URBAN AND  
RURAL LIFESTYLES.**

## HISTORY

In January 1998, The City of Quinte West was formed by the amalgamation of four former municipalities; City of Trenton, Village of Frankford, Sidney Township and Murray Township. The amalgamation created a unique community offering a blend between urban and rural lifestyles. The City thrived in the years following, establishing itself as a sought after destination offering a vibrant outdoor natural environment for agricultural and recreational pursuits combined with endless retail and entertainment opportunities.

At the heart of Quinte West is the southern entrance to the Trent-Severn Waterway, a unique 386 kilometre system of lakes and rivers stretching from the Bay of Quinte in the south, to Georgian Bay in the north. Quinte West is home to Canada's largest military air force base, 8 Wing/CFB Trenton.

# Location

With a location approximately 2 hours east of Toronto and 2.5 hours south west of the Nation’s Capital, the City of Quinte West is ideal for commercial and industrial businesses of all sizes.

## Community Improvement Plan

### City of Quinte West Industrial Lands CIP

The City of Quinte West Industrial Lands Community Improvement Plan (CIP) is intended to help stimulate private sector investment in the targeted industrial areas in the City. The CIP provides financial incentive programs aimed at encouraging industrial development and redevelopment, which contribute to job growth and economic vitality in the City.

#### Financial Incentive Programs

##### Tax Increment Equivalent Grant

The CIP can provide successful applicants with a grant to stimulate investment in new and existing business by reducing costs associated with increased property taxes from significant development, redevelopment and property improvements on industrial lands.

##### Permit Application Fee Grant

A grant to provide assistance for development/redevelopment projects on industrial lands via a reduction of the Zoning By-law amendment application fee or the Demolition Permit application fee.

#### Investment Incentives

Projects are evaluated based on criteria set out in the CIP. Contact us for complete details.

##### Economic Performance

- Construction Value
- Job Creation
- Project location

##### Environmental Design Performance

- Level of LEED certification, or
- Conformity of the project with Design Criteria outlined in CIP

The City of Quinte West is committed to the promotion of economic growth by providing incentives to attract new industry and encourage investment from our existing business.

# Community Improvement Plan

The Quinte West Community Improvement Plan (CIP) provides a framework for the creation and implementation of various programs aimed at revitalizing and re-shaping the physical and social environment of the downtown and waterfront areas of Trenton and Frankford in the City of Quinte West. The CIP also establishes financial incentives to encourage property owners to improve the appearance of their storefronts.

## PROGRAM OBJECTIVES

- To encourage the continued vitality and economic viability of the commercial cores in all seasons
- To stimulate new investment in public and private lands
- To encourage consistency in urban design guidelines
- To create an attractive image of the City that reflects the historic character and heritage of the community
- To reinforce the commercial cores as a focus for the community
- To improve connections between commercial areas, the waterfront, our recreational trails, and to improve pedestrian access within the core areas
- To provide incentives for the rehabilitation of the commercial core areas as an attractive and vibrant destination for the citizens of and visitors to the City

## PROGRESS

The City of Quinte West is pleased with the success of the CIP Incentive Program to date. Since 2005, the City has allocated more than \$600,000 in funding for building façade improvements, signage, and landscaping in the downtown business improvement area. The CIP Incentive Program continues to grow and prosper.

For more information regarding the CIP Incentive Program, please contact Economic Development & Tourism Services at 613-392-2841.

A family of four is walking away from the camera on a wooden dock. The mother is on the left, wearing a blue and white striped sleeveless dress and carrying a striped tote bag. The father is in the center, wearing a blue patterned short-sleeved shirt and light-colored shorts, holding the hand of the mother. A young girl in a red dress with white polka dots is walking to the right of the father, looking up at him. A young boy in a dark patterned shirt and dark shorts is walking on the far right. In the background, there is a building with a white metal roof and large windows, and a body of water with a boat docked on the left.

municipal road systems,  
solid waste management services,  
water and wastewater services,  
stormwater management,  
general engineering services,  
parks and open space, etc.

## **WASTE REMOVAL SERVICES**

Bag tags are required for each bag of garbage placed curbside for collection. There are a variety of locations throughout the City where garbage bag tags may be purchased for \$2.50 each. The City facilitates a Household Organics Collection Program with the use of a green bin to collect residential organic waste curbside free of charge.

Large & Bulky Curbside Collection is available and residents who wish to place an item(s) curbside can purchase tags online, attend City Hall or the Frankford Municipal Office.

Residents are permitted to dispose of leaf & yard waste at the Frankford Landfill located at 1850 Fish & Game Club Road during the hours of operation (Wednesdays 8:00 am - 4:00 pm and Saturdays 8:00 am - 2:00 pm subject to weather conditions) free of charge. There is a yearly curbside collection of leaves and Christmas trees.

The City of Quinte West is a member of the Centre and South Hastings Waste Services Board which administers the City's successful recycling program. For more information on recycling and hazardous household waste disposal, please call Quinte Waste Solutions at 613-394-6266 or visit their website at [www.quinterecycling.org](http://www.quinterecycling.org).

There are three bulk water stations available in the City of Quinte West. Two are coin-operated.  
There is also a commercial septage receiving station.

## **INDUSTRIAL LAND SITES**

The City calculates wastewater charges based on the drinking water meter readings. This drinking water meter is the responsibility of the City to maintain and calibrate. Specific wastewater meters may be installed depending on the nature of the Industry.

If the proposed wastewater concentrations exceed the sewer use by-law limits, the municipality can look at entering a sewer surcharge agreement with the customer.

# LIFESTYLE

**The City of Quinte West offers both residents and visitors well rounded options of events and activities in all four seasons.**

Maintaining an active lifestyle is easy through its several recreation facilities such as Quinte West YMCA, Batawa Ski Hill, private recreational services and sports organizations throughout the City.

Quinte West boasts over 85 km of trails and over 3300 acres of conservation areas and parks between the City and the two Conservation Authorities that operate within it. Hiking and cycling opportunities continue to grow as the city implements its recent active transportation plan.

With three ice pads, two splash pads, two skateboard parks, a pump track and a dino dig, there are plenty of activities for a younger crowd as well as nine golf courses to cover any skill level of golfer.

The City's two downtown cores provide an eclectic mix of shopping options while the restaurants and coffee shops in the city offer a variety of options to suit any palate. A vibrant and robust events calendar rounds out the offerings in Quinte West making it a great place to visit or call home.

All information on these recreation and active lifestyle opportunities can be found at
